## Chapter 1 by Ashley

Goldenrod is the 6 youngest. She is 14 years old. She is older than ghost-flower by 2 months. She likes dressing like a normal girl. Her friends call her Golden.

## Chapter 2 by R

Goldenrod is the only one who leaves them and comes back.

She does this daily, which is confusing to her sisters. She will walk out each morning with a smile, and each afternoon she will return, still smiling.

She spends hours and hours talking about her friends.

She never brings any of them to come visit.

Of all her sisters, it is hardest to find her with flowers on her. "You can't wear goldenrod." She says. "It doesn't work like that."

Each day she brushes her hair just so

She never goes in to the woods. [See more of Story Wars](#)
